RE: ER RFCA Standard Operating Protocol For Routine Soil Remediation FY03 Notification #03-10 IHSS
Group 700-7 (B779) - Approval

Dear Mr. Legare:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division has reviewed Notification#03-10 for IHSS Group 700-7, dated October 2003, and received October 16, 2003. Based on the information provided, the Division is approving this ER Notification #03-10 for IHSS Group 700-7.

In section 2.5.3 on page 9, the discussion lists monitoring wells drilled in 1997 and 2000 but states no concentrations have exceeded Tier I ALs since 1991. This statement should be changed or the wells that are being evaluated to support this statement need to be provided. This should be properly addressed in the Closeout Report.

Issues that may arise based on results of the SAP for IHSS Group 700-7 and/or implementation of this Notification should be resolved utilizing the consultative process.

If you have any questions regarding this correspondence please contact me at (303) 692-3367, David Kruchek at (303) 692-3328, or Elizabeth Pottorff at (303) 692-3429.

Sincerely,

Steven H. Gunderson
